

Acknowledgement of Grange Book Patrons

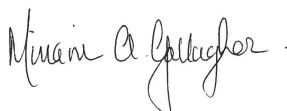

Gränge Cross Residents Association Ltd (GCRA) and its Book Committee wish to sincerely thank the many Patrons, who by providing financial assistance, made it possible for Grange to publish a quality book. All involved in the book project appreciate the generosity of the many businesses, which are listed hereunder. It is realised that the generosity of patrons is remarkable considering the pressures that Irish businesses must have encountered over several recent years of severe economic depression. The emerging recovery will take some time yet to restore economic normality to the business sector in general.

We hope that a significant improvement in the Irish economy over the coming years will permit each proprietor to consolidate and grow the business from strength to strength.

In the meantime, a thousand thanks for your critical assistance.

Kieran Hourigan, CHAIRMAN
GCRA LTD
